Dear Mike,

Stewart and I want to thank you, from the bottom of our hearts, for building the most incredible home for us in Southcliff. Your enthusiasm, passion, and attention to detail have been unbelievable! We so appreciate all of your ideas and recommendations that have made our breathtaking home a dream come true.

Mike, you've been there for us every step of the way, designing our home with precision, and introducing us to the most amazing vendors and crew. We thought that building a home so far from Florida would be a difficult task for us, but you and your contractors actually made this a joy! Most especially, the photos you sent us, and the continuous phone updates of each new phase, kept us actively involved. Wow!

Please let us rave about Carl, your onsite Construction Manager, and Patricia, your Office Administrator. They were both on top of every phase of the construction and were such a help to us. Every concern, every detail was addressed in such a timely manner, and with such professionalism and compassion whenever we contacted them. What a team the three of you make!

We can't wait to move into our new home, and to being part of the Southcliff Community next month. Thank you, thank you, thank you.

Very sincerely,

Stewart and Gina Shull
